ELIGIBLE OWNERS AND LESSEES MAY SUBMIT A CLAIM FOR BENEFITS BEGINNING ON JUNE 15, 2022.

If your vehicle suffers a failure of its CVT within 7 years or 140,000 kilometres, whichever comes first, you may take your vehicle to an authorized dealership for repair and/or replacement under warranty.

If your vehicle previously suffered a failure of its CVT within 7 years or 140,000 kilometres, whichever comes first, **YOU MAY CLAIM** reimbursement of expenses you incurred to repair and/or replace the transmission assembly (including valve body and torque convertor) or Automatic Transmission Control Unit (“ATCU”). If a Nissan dealer diagnosed and recommended a repair to the transmission assembly or ATCU of your vehicle, but you did not pay for the repair or replacement costs within that time period, **YOU MAY CLAIM** reimbursement if you pay for the recommended transmission repair prior to the Class Vehicle exceeding 155,000 kilometres or by September 13, 2022, whichever comes first.

If you used to own a vehicle that had two or more CVT component replacements or repairs to the transmission assembly, torque converter, valve body or ATCU, you may be eligible for a voucher of \$1,300 for the purchase or lease of a single Nissan or Infiniti vehicle per Class Vehicle.
